BUY KATHLEEN'S BOOKS AT AMAZON.COM**

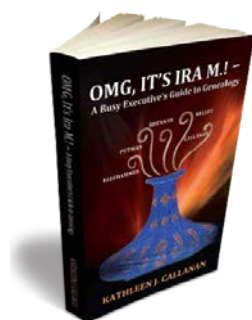

BIOGRAPHY AND ADVENTURE --

Follow the hopes and aspirations of a young woman engineer turned Catholic nun and missionary to Japan. Her fascinating sequence of experiences and professions are bound to resonate with points in your own life. This very enjoyable read will give you inspiration to move forward. Now, she has emerged into her fifth career as Author and Genetic Genealogy Consultant. See how one choice of responding to an event, leads to another.
